Sir,

I have the honor to submit for the Dewan's approval the Proceedings of the meeting held at the Maddagiri Sub Municipality, and beg to state that I concur with the members in thinking that Establishing a Local Dispensary at Maddagiri is absolutely necessary.

2- So far back as January 1879, the late Mr. Lacey has submitted with this Office No 843 dated 1st February 1879 the proposal for opening the Dispensary for a period of 6 months, and accordingly caused a sum of Rupees 460 entered in the Printed District Fund Budgets for 1879-80-1880-81 and 1881-82, but no effect was given to the same for reasons unknown.

3- During my late visit to Maddagiri, I noticed in the Town several

several helpless sickly inhabitants being left to their own fate without the least medical aid. The Taluk being a hilly country, several Villages in the vicinity especially the Town itself are of late becoming very unhealthy. Establishing a dispensary at Maddagiri will give Medical relief to the adjoining 3 Taluks also, such as Koratagere, Sira and Goribidnore, and for the cost of erecting a building, which will be about Rupees 200, the inhabitants propose to contribute to the extent of one half say Rupees 100 on the Municipality paying the remainder. For these reasons, I request that you will be good enough to obtain the Dewan's permission authorizing me to provide in the Current years District Fund Budget for the 2/3 cost of Establishment for a Dispensary at Maddagiri.
